dear Boris

it should very soon now.

The paper went through final reading already some time ago, and should be submitted to PRL.

I can investigate why it has not yet submitted and let you know

best regards, Chiara

Subject: Препр.: CMS-BPH-23-004-002: Draft for Final Reading

Dear Chiara,

we have a PhD students (Elton Shumka) to defend his thesis soon.

Elton has participated in the analysis:

“Precision measurement of CP-violation in B0s --> J/psi Phi decays using Run2 data”.

<https://cms.cern.ch/iCMS/analysisadmin/cadilines?line=BPH-23-004>

I would like to ask when the paper is expected to be submitted to a journal, so we could organize the thesis defense after this date.

Best regards,

Boris

Тема: CMS-BPH-23-004-002: Draft for Final Reading

Dear CMS collaborators,

The draft document may be found at this URL: <http://cds.cern.ch/record/2916627>

It is version no. 2 entitled:

`Evidence for CP-violation and measurement of CP-violating parameters in $B_s^0 \rightarrow J/\psi \phi(1020)$ decays in proton-proton collisions at $\sqrt{s} = 13$ TeV`

<http://cms.cern.ch/iCMS/analysisadmin/cadi?ancode=BPH-23-004>

This is the draft for the Final Reading, which will take place on Tue, Nov 19, 2024

This version will also be sent to PH-EP for approval of the preprint

Kind regards,

Kevin Stenson, Thorsten Chwalek
